Chilling @ evening

FIREWORKS

TAKE HOME MESSAGES

Great practice for clinical experience in wonderful environment, Hawai'i

Comprehensive sample of what being a medical student in Hawai'i

TAKE HOME MESSAGES
&
ACKNOWLEDGEMENT

Presented by H. ASAKURA

In my opinion...

All medical students in YCU (600)

Who has interests in going abroad (200)

Who attend in meetings (<100)

Who find any suitable program (<50)

Who actually apply any programs (<30)

Who actually goes abroad (<20)

TAKE HOME MESSAGES

■ ■ *There are many opportunities to go abroad in YCU.
Find any program you like and just give it a shot!!!* **■ ■**

ACKNOWLEDGEMENT

- ✓ I sincerely appreciate to Gushinkai: 倶進会, Alumni association of Yokohama City University, Faculty of Medicine for their great finance supports, and all of staffs in Yokohama City University, especially Ami ISHI, Yo-ko KIMURA, Yokoshiko EBISU for their supports from the very beginning of my preparation.
- ✓ Also I would like to appreciate YOU for coming and listening to my summer experience; THANK YOU very much for your attentions and being careful audience

*Thank you for
attending and listening!!!*
